## University Heights Arts Association

### *ArtistShare*

Attention artist professionals and students! The University Heights Arts Association is looking for artists and educators of all genres to conduct workshop style *Specials* for children or adults of the University-North Buffalo area. Specials last 1-2 hours and may include painting, sculpture, crafts, print-making, jewelry making, music, theater, dance, creative writing, photography and filmmaking. Complimentary fields such as web design and art-related business practices are welcome. The events will be held at community centers, public spaces and businesses.

Please complete the application below and send to:
